

# Engagement with politics in their community is least likely among Asian and Latine youth

Percent of youth who are civically engaged in Los Angeles County

Indicator: Civically engaged youth are defined as youth ages 18-29 who report engaging or participating in politics (e.g., participating in boycotts, serving on a committee of an organization, participating in a service or civic organization, etc.). Race Note: AIAN=American Indian or Alaska Native; NHPI=Native Hawaiian or Pacific Islander. NHPI estimates are unstable. Data Source: Catalyst California's calculations of IPUMS Current Population Survey Civic Engagement Supplement, pooled estimates from 2013, 2017, 2019, and 2021.
