

On average, Black, Latine, and NHPI youth experience less access to fresh fruits and vegetables

Percent of youth who have access to fresh fruits and vegetables in Los Angeles County

Indicator: Access to fruits and vegetables is defined as youth whose parents/guardians/decision makers rated their community's access to fresh fruits/vegetables as good or excellent. Youth are defined as those between the ages of 0 to 17 years. Race Note: AIAN=American Indian or Alaska Native; NHPI=Native Hawaiian or Pacific Islander. Data Source: Catalyst California's calculations based on LA County Department of Public Health, Office of Health Assessment and Epidemiology, Los Angeles County Health Survey, 2023.
