

Voting in elections is least likely among Asian and Latine youth

Percent of eligible youth voter turnout in Los Angeles County

Indicator: Eligible youth voter turnout is defined as youth citizens, ages 18-29 years, who voted during presidential and midterm elections. Race Note: AIAN=American Indian or Alaska Native; NHPI=Native Hawaiian or Pacific Islander. NHPI estimates are unstable. Data Source: Catalyst California's calculations of IPUMS Current Population Survey Voting Supplement, pooled estimates from 2014, 2016, 2018, 2020.
