

Advocacy and base-building organizations are less available where Asian and NHPI youth live

Average percentile(%ile) access to base-building organizations in Los Angeles County

Indicator: Access to advocacy and base-building organizations is defined as the average percentile (%ile) access each racial group (ages 0-24) has to organizations that are focused on youth advocacy and base-building. Access is calculated based on organizational density and census tract youth population. A higher percentile indicates higher access. Race Note: AIAN=American Indian or Alaska Native; NHPI=Native Hawaiian or Pacific Islander; Another Race=Persons who identify with a racial group not presented. Data Source: Catalyst California's calculations of the USC Equity Research Institute, California Health and Justice for All Power-Building Landscape: Defining the Ecosystem (2019); IRS Business Master File Extract (2023); and Cause IQ Nonprofit Directory (2022).
